

Regional Sales Manager – East Coast United States

Position Title:	Regional Sales Manager – East Coast	Exempt/Non-exempt:	Exempt
Department:	Sales & Marketing	Full/Part Time:	Full
Reports to:	VP Sales & Marketing	Permanent/Temporary	Permanent

Position Summary

The ideal candidate will have the vision, energy and previous experience to achieve sales territory goals in a fast changing and leading-edge PV Power Electronics equipment market. He or she will be a strong sales leader with at least 8 years of relevant experience in PV implementation sales, or related technology field.

This individual will have a diversified business background that includes large account sales and market segment sales but will be recognized as having superior capabilities relative to the growth of a complex business. He or She should have strong regional territory sales depth with experience and knowledge to influence and motivate people as an individual contributor. He or She should have a track record of selling solutions that can be demonstrated beneficial to the customer that is focused on technology innovation. A strong understanding of the financial benefits to the customer will be one success factor in considering this individual.

This individual will have demonstrated his or her ability to conceive, implement, and successfully execute new business strategies aimed at building revenues and driving profitability. Furthermore, he or she will have a strong track record in taking products from introduction to successful launch, and will have successfully implemented new products, services or businesses in a highly competitive environment.

The ideal candidate will have proven negotiation skills, especially regarding complex transactions, and will have the ability to interface well with all levels of potential global customer organizations. He or she will be a “quick study,” able to absorb information and make decisions, particularly in high-risk, complex situations. The individual will be a smart, strategic thinker, but will also possess strong tactical execution skills. Our ideal candidate will have outstanding verbal and written communications skills, along with excellent presentation skills. A team player, he or she will have unquestionable integrity, credibility and character in all aspects of his or her business and professional career.

Perhaps most importantly, this individual must possess not only the qualifications to execute this position, but he or she must also have a burning desire to play a major role in the growth of a dynamic global company.

Essential Job Functions (Roles and Responsibilities)

- Maintain and strengthen relationships with existing customers wherever appropriate while extending the existing customer base, and work with the regional team to increase revenues within the region by targeting new markets and expanded products and services;
